TRANSPORT ACTION ATLANTIC

Improve VIA Rail Service in Atlantic Canada!

- ⇒ VIA Rail's Montreal to Halifax train (The Ocean) was recently forced to increase travel time by 90 minutes due to insufficient maintenance and track deterioration on the privately-owned Newcastle Subdivision between Cambellton and Moncton, NB.
- ⇒ The Ocean's travel time has increased by nearly 5-hours since the 1990s!
- ⇒ Since 2020, the Ocean provides the only ground transportation service between the Maritime provinces and the rest of Canada.

We call upon the Government of Canada to:

1. **Provide immediate funding for the rehabilitation of the Newcastle Subdivision; and**
2. **Study the viability of purchasing the Newcastle Subdivision so that infrastructure can be used to the fullest extent of public benefit.**
